**MEMORANDUM FOR:** Deputy Director for Support  
**SUBJECT:** Inspector General's Survey of the  
Career Training Program

1. As you know, we are conducting an inspection of the Career Training Program including recruitment, selection, training, placement and career progress. During the survey we have been interviewing Career Trainees in CTR's training cycle. We now plan to interview CT's who are still on the rolls of CTR but who have been attached to various components of the Agency for on-the-job training prior to permanent assignment. Your directorate has 17 of these CT's as indicated on the attached list prepared by CTR.
2. It is requested that you alert the Directors of Security, Finance and Personnel that beginning the week of 19 December we wish to contact directly a cross section of these CT's for interviews and that later in our survey we will interview a number of ex-CT's who have had several years of Agency service in your directorate.
